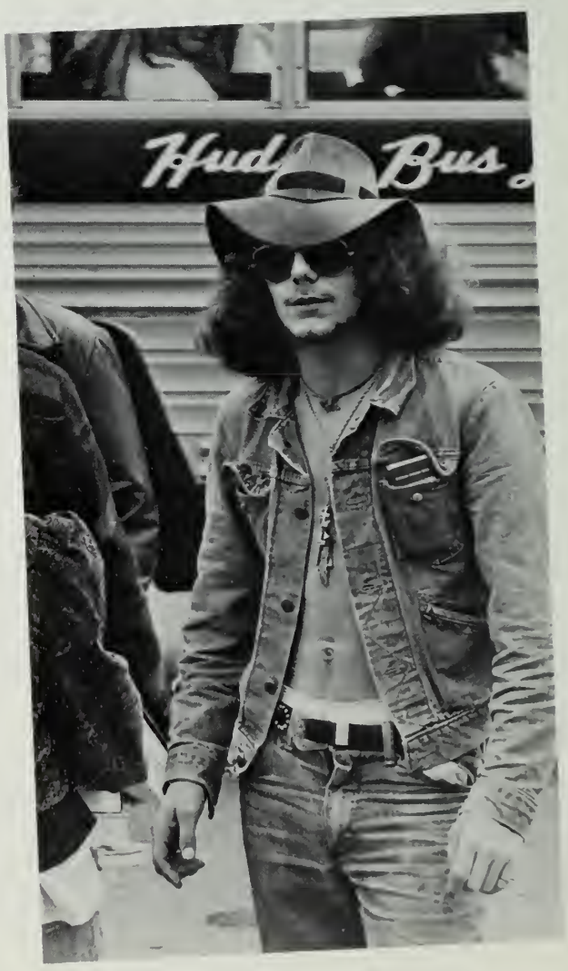
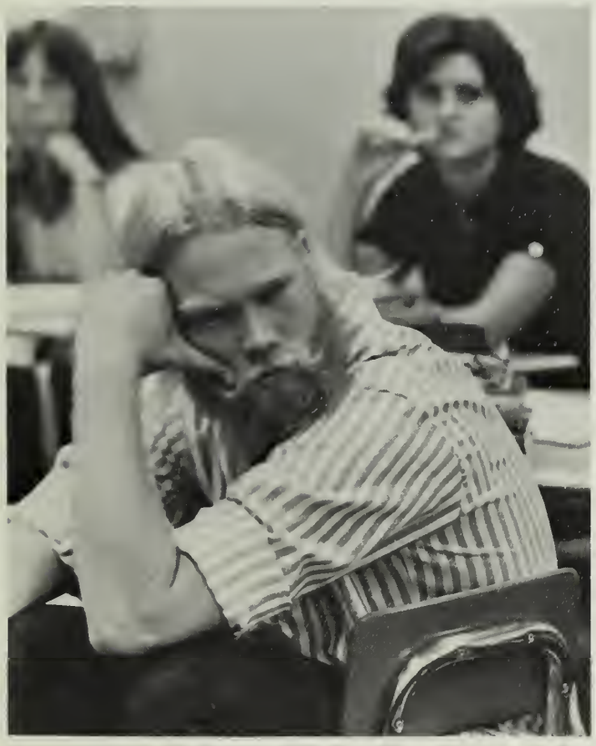
i already know all that.



no, *i'm* the principal!

i don't have to if i don't want to.

move your arm, i can't see #6.



i wish i had more moustache wax.

i left the brake off!!!

it would probably be even funnier if i could translate it.

her *first* bus ride!

there's gotta be a better way.

with *you* ?

well, i borrowed it but i'm pretty sure it's this one.

i didn't know that.

who do you think you're looking at?

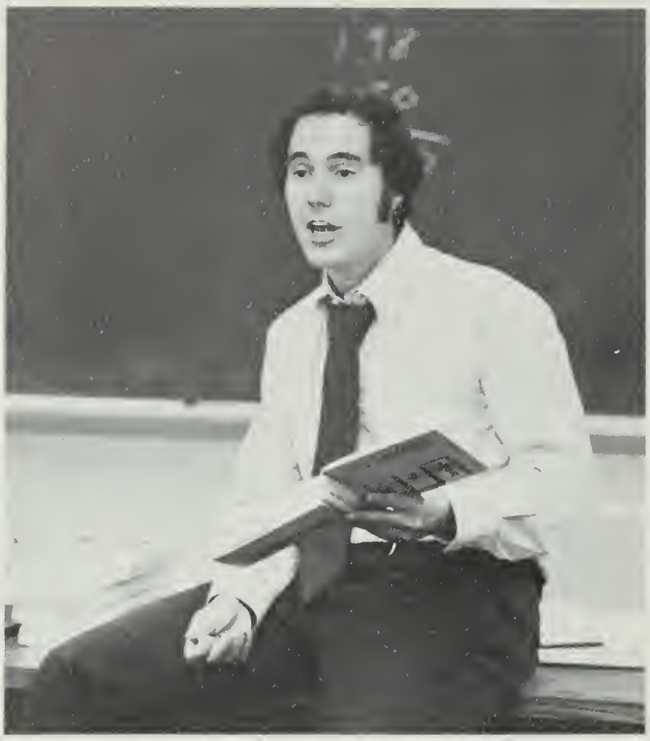
quick, before we get caught!

maybe if i pretend i'm asleep, he won't call on me.

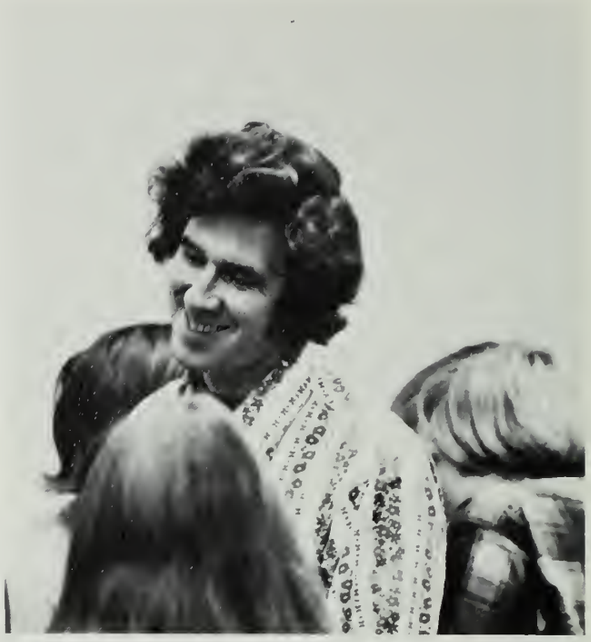
mr. mc dermott said we could try to drive it next semester.

thl . . . the quicl . . . the quick brlwn

Oh no! i forgot to shut off the car lights.



it's not that, i don't like polish jokes either



that's not bad, wrong but not bad

you want to know what the "v" and the "d" stand for?

caught me didn't ya

beer belly? that's just baby fat

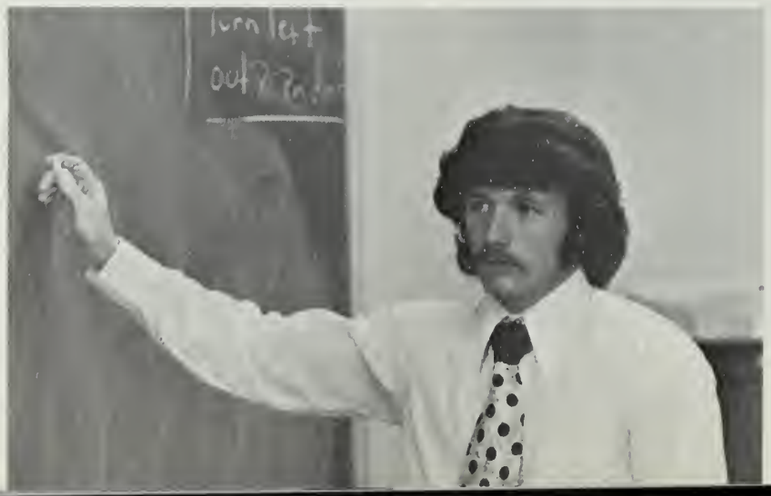
give me a ride or get two nights

i wonder if they know it's stuck

not with *my* machine you don't!

i don't think notes like this are funny

peanut butter is a pain



i'm lost

you want me to be quarterback?

your lips, pucker your lips

we know there will be problems

don't you know my paramecium is naked?

the inky dinky spider . . .

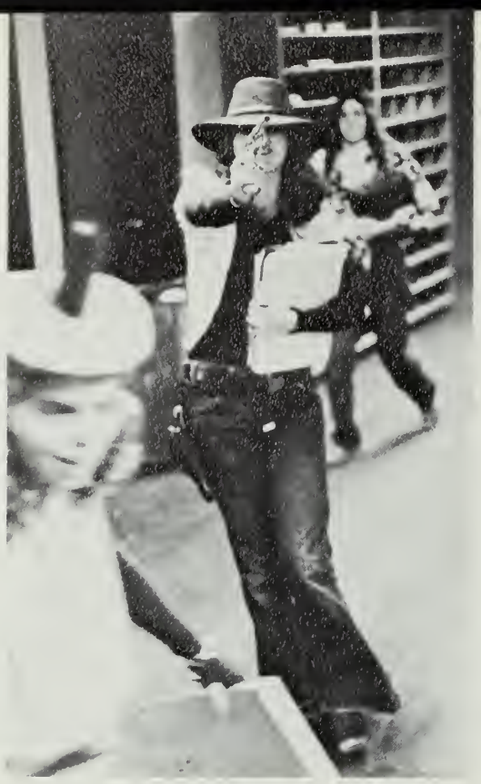
move your arm just a little

that layup was trickier than i thought

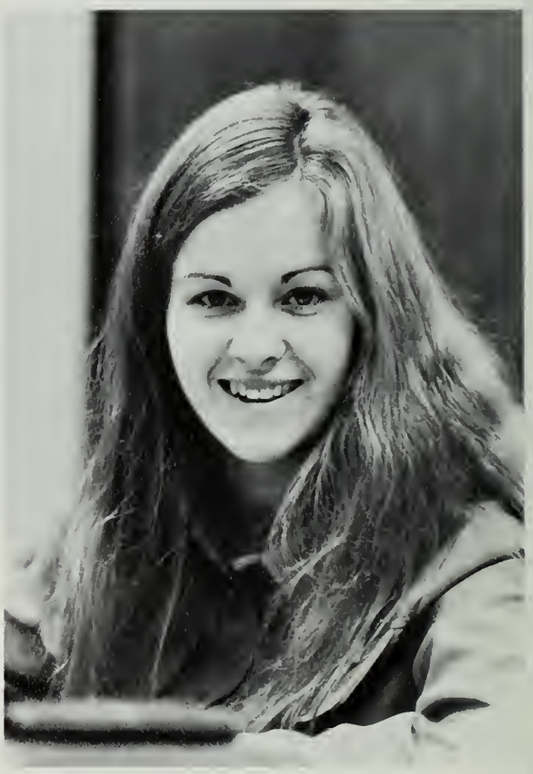
same to you, bud

i think my living bra died

not that guy with the camera again



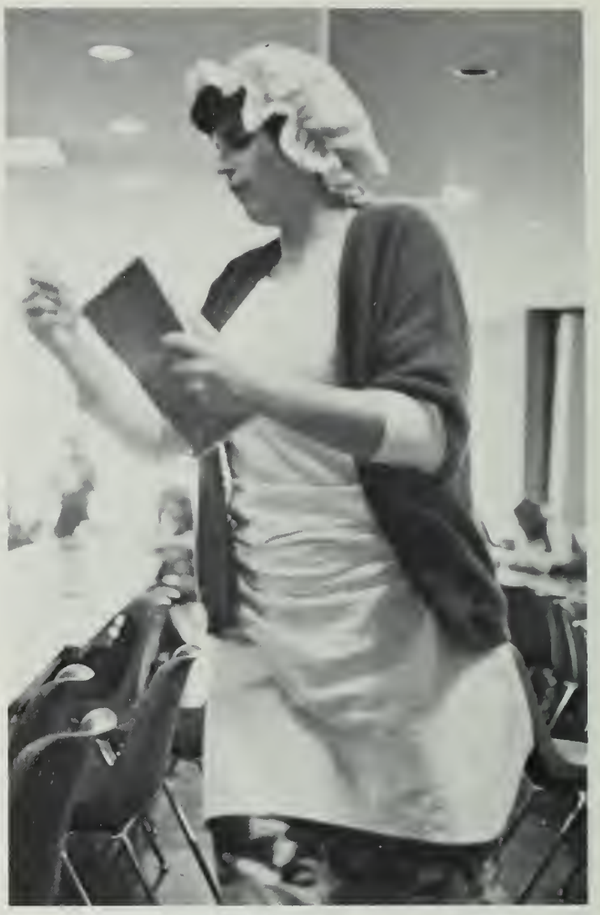
no mom, i did it in study



rat hairs again

i wonder how long it will stay stuck

it's so silky



was that *two* deep-sea dandy dishes or three?

hey, i don't care if it is 99 to nothing, i've never lost on thanksgiving

the really beautiful faces know noxema

is that a muscle or what?

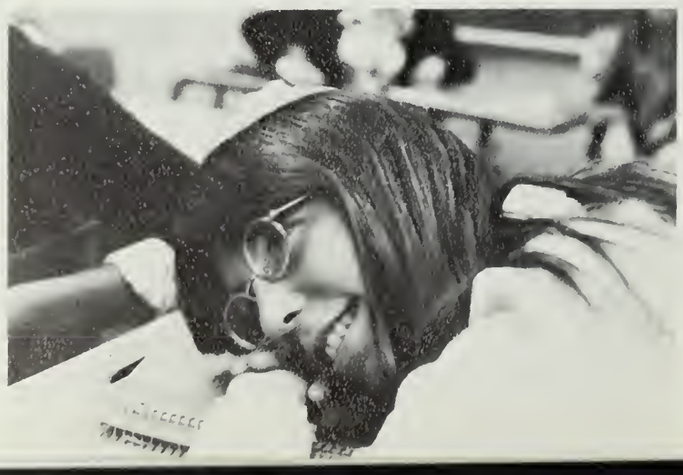
i knew someone would finally get sick in here

at least someone's happy in this place

that dog has tried to bury me three times this week

i don't care if your horse *is* double parked, sit down

i'll never play the piano again



we'll do anything to get them to school

mr. wheeler, can i go now?

why don't ya come up and see me sometime
